

Give by Zelle

You can make a donation to the Society for American Music directly through Zelle.

To donate:

1. Open Zelle through your bank or credit union's mobile banking app.
2. Select **Send Money with Zelle**.
3. Search for or enter SAM's Zelle Tag: **Society-for-American-Music**.
4. Enter the amount of your donation and review the recipient information to make sure it identifies the **Society for American Music**.
5. In the memo field, please include your **name** and, if applicable, the **purpose of your gift** (e.g., "Century Campaign")
6. Send your donation.

Your gift will be sent directly to the Society for American Music's bank account. Because Zelle donations are processed outside of our online donation system, they will be recorded separately in our donor records.

Thank you for your support!
